

ADNUMBERS™

Be ready when customers come calling.

THE SMALL BUSINESS SOLUTION THAT ENHANCES YOUR COMPANY'S IMAGE.

PROFESSIONAL FRONT END

- . Provide your callers with a professional front end attendant (personal, custom or professional greeting)
- . Customers can hear music or your custom commercial on hold
- . Answers calls 24 hours a day, 7 days a week (takes multiple calls simultaneously)

PHONE CALLS

- . Route incoming calls to any telephone, anytime from anywhere (office, cell, home, other)
- . Control customer service calls by diverting them directly to a call center, assistant or to professional voicemail
- . Speed calls for quotes and estimates immediately to yourself or to your sales people
- . Transfer any ADNUMBER to any telephone number
- . Multiple AdNumbers that advertise "LOCAL" numbers in other markets/communities with all calls coming into one phone

CALL TRACKING

- . Receive call tracking reports (track calls and caller ID from specific yellow page ad or direct mail campaign, etc)

FAXES

- . ADNUMBER accepts incoming faxes and delivers them to your email
- . Outbound faxing
- . Receive notification of faxes on your cell phone
- . No busy signals and multiple faxes at the same time
- . 30 day back-up on all faxes

VOICEMAILS

- . Retrieve voicemails from any telephone or from your email
- . Receive notification of new voicemails on your cell phone
- . Forward actual voicemails to anyone with an email address
- . 30-day back up on voicemails
